Grant's Pass, Ore., July 2.-The Southern Pacific overland train, north bound, was stopped last night at 10:15 by three highwaymen, near Riddles, about thirty miles south of Roseburg, and thoroughly robbed. Sticks of dynamite were placed on rails, which disabled the engine by blowing the flanges off the pony trucks, and brought the train to a stop.

When the dynamite explosion brought the train to a standstill, Conductor T. J. Kearney, who was in charge of the train, ran out but was met by one of the handits who fired at han with a pistol, the bullet grazing the conductor's head

The bandit then ordered the conductor to get inside and stay there, an order which he was not slow in obeying, hiding himself in a Pullman closet, from which he saw one man patrolling the bank which over-looked the train. Another handit made Engineer Waile and Fireman Gray get off engine and go to the express car and ordered it opened

He then ordered the radional employes to go to the passenger conches and assist him in relieving the passengers of their valuables. WOMEN AND WORKINGMEN UNMO LESTED.
They passed all who had the appearance

of workingmen, but made the others hold up their hands, while they went through their pockets, the robber standing over them with a pistol. The sheriff of Klamath County was on board with a prisoner. The

robber appropriated the sheriff's pistol. None of the ladies in the car were molested. During the time the train was held, which was an hour and forty-five minutes, the could be suitable to be suitable to the passengers. Cynamics to intimidate the passengers.

Sensational Details of an Alleged A. P. A. Scheme.

It Involved the Arrest of the Mayor. Chief of Police and Two Police Commissioners.

Omaha, Neb., July 2.—The difficulty be-tween the A. P. A and the municipal reform element reached sensation pro-portions this afternoon when the details of a plot were made public by which Martin J. White, the new chief of police, who was employed in Chicago last week to reorganize Omaha's police force, was to be arrested for impersonating an officer, and Mayor Benns, and Police Com-missioners Brown and Beaver for violating the anti-Pinkerton ordinane

The first intimation that an attempt wasto be made to prevent Whitefrom acting as chief was in the shape of a rumor that the plotters had arranged with District udge Scott, who is reputed to be one of the leading spirits of the A.
